

Overview

History

-In History, we look at things that have happened in the past.

We look at the things humans have done in the past, to try and help us understand the present, and what may happen in the future.

In EYFS, we learn about the past and present through looking at our lives and the lives of family and friends.

Almost all of the early History learning can be found in 'Understanding the World', one of the 7 learning areas.

Understanding the World – The World

Our World

-Our world is a planet called Earth. It is one of a number of planets that go around the Sun.
-On Earth, there are many different countries. In each country, there are cities, towns and villages.
-Which country do you live in? Which town/city?

Nature and Objects

-Humans share the planet with lots of other living things, including plants and animals.
-Animals and plants live in many different ways.
-There are also things that people have made in the world, for example buildings and cars.

Changes over Time

-Humans go through life stages: baby, toddler, child, teenager, adult and old people.
-Other things change over time too. For example, they can grow, shrink, decay and die.
